CUB SCOUT APRIL FOOD DRIVE TO BENEFIT PANTRY

(above) Cub Scouts Pack 801 with their 2024 collection.

Courtesy photo

Cub Scouts Pack 801 will be collecting non-perishable items on behalf of the Roseland food pantry in April. Scouts will go door to door with a flier, asking their neighbors to procure some items for donation. The Scouts will then return 2 weeks later to pick up these donations from doorsteps, and deliver them to the Roseland Food Pantry.

Last year, the scouts collected 850 pounds of food and goods for the pantry.

The Scouts will post flyers door to door to their neighbors, but if others in Roseland would like to donate, please email roselandnrcubscouts@gmail.com, or text 973-768-0689, with your address, and the scouts will coordinate a pick up during

April.

The Scouts are collecting essential items like food, beverages, paper products, and health and beauty items. If you have non-expired, not opened, shelf stable food items you would like to donate, please ensure items donated have a clear and understandable expiration date.

Place them in a bag labeled "Cub Scouts" & leave at your doorstep or end of your drive-way for your scheduled pick-up date.

The Pack meets monthly on a Friday night. Our next meeting is February 21st, at 7 p.m. at the United Methodist Church of Caldwell.

Suggested Items: • Household cleaning supplies, sprays, wipes, soap • Laundry detergent • Aluminium Foil, Plastic Wrap, Ziploc Bags etc. • Small water bottles • Toilet Paper, Paper Towels, Napkins, Paper Plates, Tissues • Diced/crushed tomatoes • Breakfast/nutritional drinks • Small boxes of cereal • Snack Food (crackers, cookies, popcorn, pudding cups, saltines, Jell-O, no-bake desserts) • Soup cans • Small cans or plastic containers of vegetables • Granola bars • Rice and Rice Sides • Boxed and Canned Chicken & Beef Broth • Cooking oil/spray • Fruit juices, small coffee cans, tea • Small bags of chips, pretzels • Pasta (including macaroni and cheese) & Pasta Sauce • Oatmeal • Baked Beans • Condiments and basic cooking essentials (salt, pepper, ketchup, peanut butter, mustard, flour, jams and jellies, sugar, honey, salad dressing) • Canned tuna or chicken • Pancake Mix and Syrup • Bar soap and body wash • Shampoo and Conditioner • Toothpaste and toothbrushes

ROSELAND NAMED A TOP TOWN FOR RETIREES

Borough of Roseland

According to an article on worldatlas.com, Roseland was named one of the top nine "charming New Jersey communities" to retire to in this area.

The article says that Roseland "is the ideal small town that is still within easy reach of the

big cities", that it "has one of the lowest tax rates in Essex County", and cites our "friendly, welcoming neighborhoods" as a reason "that people of all ages choose to relocate here"

They also credit our Roseland Senior Society for its role in planning "trips, gatherings, and activities for active seniors in

town" which all "add up to many retirees making a positive decision to move to Roseland."

We are very proud of this recognition as we expect many more seniors to stay here or move into the Borough in the coming years as we continue to invest in and support our seniors!

AEDS INSTALLED THANKS TO DONATION

Borough of Roseland

Three brand new AEDs were recently donated by the Roseland Recreation Booster Club through the kind financial support of Gottesman Real Estate Partners & the Perna Family.

Public Works recently have gotten to work installing these AEDs throughout the Harrison Complex at Thomas J. O'Beirne Field, Harrison Field and the Harrison Complex's Tennis and Pickleball courts.

If anyone has interest in donating additional AEDs that could be installed at other Borough recreational facilities, please contact Recreation Department Director Michael Colitti at 973-403-6822 or by email at mcolitti@roselandnj.org.

We all hope these devices never have to be used, but if they do, the Borough is extremely thankful that we're able to have the equipment necessary and readily available to try and save someone's life.

CASA FOR CHILDREN OF ESSEX COUNTY

CASA for Children of Essex County (CASA Essex) staff convened with their advocates at Rutgers University School of Law on March 8th to further their understanding of issues affecting youth in foster care.

Karen Smith from the Psychology Department at Rutgers University kicked off the day by helping advocates explore how predictability and safety create variability in children's responses to facing adversity.

Following this informative session, the training leaned into inclusion. Nayamka Williams and Qiana Cooper from the DCF Office of Diversity, Equity and Belonging led a highly engaging discussion of why words matter when addressing individuals and respecting how they choose to address themselves.

To culminate the training, advocates and staff alike were provided with key steps on how to assist youth in the foster care system that are facing immigration issues, led by Katarina Martucci of the NJ Consortium for Immigrant Children.

This day of training proved to be a deep dive into hot topics that are prevalent in the current

climate – topics that deeply affect the ability of a child to thrive. As such, there are still over 300 youth in foster care in Essex County that do not have a CASA advocate. Nearing its 40th anniversary, CASA Essex has always aimed to ensure that these youth have a voice in court and in all areas of life by training and supporting community volunteer advocates.

Whether through volunteering, spreading awareness, or partnering with CASA Essex, your support can provide stability, hope, and advocacy to a child in need. To learn more, visit casaessex.org or reach out to our Outreach Coordinator, Alexis Pugliese at apugliese@casaessex.org.

LAST YEAR NEARLY 500 CHILDREN IN ESSEX COUNTY SPEND TIME IN FOSTER CARE.

They are removed from their home due to abuse, neglect, or abandonment, separated from their family, and find themselves in a world filled with professionals they don't know. Court Appointed Special Advocates (CASA) is committed volunteers who work diligently to make sure these children receive the services they need while in foster care.

WHAT A VOLUNTEER DOES:

Being a CASA is a unique volunteer experience, one where you will make a difference in the life of a child. Working one-on-one with children in foster care, you give them a voice. CASA volunteers advocate for a child's best interest. Volunteers work to collaborate with others involved in the child's life, conduct an assessment of the child's needs, make recommendations on the child's behalf, and provide critical information to the court to assist judges in making timely and informed decisions.

ELIGIBILITY

You do not need any special skills to be a CASA volunteer. You just need desire to help change a child's story, a valid driver's license, be at least 21, clear a background check, basic computer skills and have the ability to communicate orally and in writing. CASA for Children of Essex County provides equal opportunities to all volunteers and volunteer applicants without regard to race, color, religion, sex, national origin, age, disability, sexual orientation, or gender identity. To learn more, visit casaessex.org.

WIND SYMPHONY 40TH ANNIVERSARY CONCERT

Please join us for our 40th Anniversary Concert on Sunday, April 27, 2at 3:00 p.m., Morristown High School, 50 Early Street, Morristown, NJ. Admission is free. Donations are welcome and appreciated!

The Hanover Wind Symphony is a unique extension of the great American tradition of adult music performance. One of only a handful of outstanding community-based adult wind bands in New Jersey, the Hanover Wind Symphony delights audiences of all ages by giving a contemporary twist to traditional favorites. The large orchestra, made up exclusively of woodwind, brass and percussion instruments, embraces as its mission "bringing music to people and people to music."

For 40 years, the Hanover Wind Symphony has played to enthusiastic audiences. HWS members are volunteers who share a love for music and a passion for enriching the cultural fabric of the community with the thrill of live wind band performances. By day, HWS members are accountants, engineers, teachers and executives. They come together to connect musically with others, share the enjoyment of music with live audiences, and help mentor the next generation of wind musicians.

For further information about the Hanover Wind Symphony, including dates of upcoming concerts, visit hanoverwinds.org.
