GREEN TEAM AND LIDL CLEAN-UP BROOK ALONG SOUTH AVE

On June 20, the Garwood Green Team partnered with Garwood Lidl to clean the full length of the Garwood Brook along LIDL's South Avenue frontage of over 700 feet.

The drought that is gripping the region has resulted in low water levels, making the cleanup relatively easy. While the overwhelming number of items collected were single use

plastics such as bottles, wrappers and bags, the Green Team removed a traffic light that appeared to have been tossed over the fence on South Avenue.

For more information on future cleanups, please contact Jeff Jotz at jjotz@yahoo.com or visit the Garwood Green Team on Facebook.

COURTNEY KILMER ATTENDS NEW JERSEY GIRLS STATE PROGRAM

Courtney Kilmer, a Garwood resident and rising senior at Arthur L. Johnson High School, recently attended the 2026 New Jersey Girls State program, held June 21–25, 2026, at Centenary University in Hackettstown, NJ.

Sponsored by the American Legion Auxiliary, New Jersey Girls State is a prestigious leadership and citizenship program that allows high school students to learn about state and local government through hands-on participation. Delegates campaign for office, participate in mock elections, and take part in legislative and civic leadership activities.

Kilmer was selected to represent her community among 200 other outstanding young women from across New Jersey. During the weeklong program, she successfully ran for City Councilwoman, earning the support of her fellow delegates in the mock election. Her participation and election to this position reflect both her commitment to making a positive impact and the tradition of leadership fostered at Arthur L. Johnson High School. Congratulations, Courtney!

GREEN TEAM WORKS ON 2026 TRAILS DAY IMPROVEMENT PROJECT

Garwood Green Team

On Saturday June 6, Green Team members Elizabeth, Brian, and Liam Tague, Mark and Janine Koch, Kim and Elaina Ficarra, and Bill and Maria Nierstedt, Mayor Jen Blumenstock, and NJDEP Watershed Ambassador Betsy Chernoff worked all morning on the spring 2026 Trails Day improvement project in conjunction with the Team ‘Adoption of Unami Park’.

The main task of the day was the maintenance of the wood chip trail. This trail has become very popular with dog walkers, couples out for their daily walk, kids taking a short cut to the baseball and soccer fields, and walkers just out trying to find some solace in the woods- a tough commodity to find in our developer area! While beautiful to walk on, the trail requires constant maintenance due to erosion from the park baseball field, and winter’s wear and tear. Green Team member Jeff Conlin started lining both sides of the trail with large logs a few years back, and Team members continued transporting large logs from the Center Street Park entrance farther along the trail. The Team thanks the Garwood DPW for moving these logs from trees taken down along Borough streets - Reusing natural resources – another Green Team maxim. Team members ‘wheelbarrowed’ dozens of wood chips to refurbish those spots that were ‘worn out’. Almost 50% of the trail is ‘log lined’ and more will be completed in the Fall 2026 Trails Day adventure- logs are already waiting at the

entrance.

Girl Scouts and their leaders from Garwood Troop # 41108 -Christine Salzman Barbato, Angelina Barbato, Rebecca Shubring, Siena Zurzolo, and Sabrina Zurzolo- also assisted by planting a tree – our state Tree – the Red Oak- near the East Street Park entrance. They dug the hole, measured for size, planted the tree, backfilled with soil and water, and mulched, and agreed to water the tree over the summer. Unami Park has lost many trees in recent years due to major storms, and this tree is now a part of the replacement measures. They also ‘wheelbarrowed’ chips to replenish the planting that the Green Team planted four years ago at the same entrance.

Garwood LIDL once again provided refreshments for all volunteers. We thank LIDL for being our constant partner in our work. The Team, together with ‘The Unami Park Forest People’ subgroup, is also improving different sections of the park meadow, so that in some not-so-distant future, the present invasive species will be just a bad memory, an understory of trees will return, and native pollinating plants will attract bees, butterflies, birds, and other pollinators. It should also make the area much more attractive for trail users!

Both groups have planted and preserved native tree seedlings, enclosing them with tubing to keep them safe from deer browsing, removed thousands of invasive plants, and installed bird

and bat boxes, and mounted QR codes from the Union County Master Tree Stewards Program on native trees for identification. The creation of native herbaceous plantings continues in numerous ‘meadows’ throughout this wooded section of Unami Park.

Additional volunteers from Garwood, Cranford, and Westfield (Unami Park is located in all three towns!) would be appreciated to help us further advance towards our mutually beneficial goal!

Please contact w-nierstedt@garwood.org if you have any questions. See you in the fall.

ANSWERING SUICIDE PREVENTION & CRISIS CALLS

Caring Contact

Caring Contact, an award-winning volunteer-staffed hotline that answers 988 Suicide and Crisis Lifeline calls—primarily from callers in seven counties in Central and Northern New Jersey—has seen a dramatic rise in the number of calls coming in over the last two years. In 2025 they answered 25,700 calls, the most in their 50-year history, and the call rates have risen over 70% in 2026.

“Every 988 call represents someone bravely reaching out in a moment of profound need. The increase in calls tells us that more people know help is available—and that when compassionate, trained Listeners answer, it can make a lifesaving difference,” explains Mary Claire Givelber, Executive Director, Caring Contact.

THE GOOD NEWS — IT’S WORKING

The rising rates of Callers correlates to a 2026 JAMA study, that after the launch of the national 988 Suicide and Crisis Lifeline in 2022, suicide deaths among adolescents and young adults (ages 15–34) dropped 11% compared to projected rates from 2022–2024.* The largest declines were seen in states with the highest 988 call volumes.

At Caring Contact, they see evidence of this every day. Recently a teen Caller coping with anxiety and loneliness said, “Thank you very much for talking to me. I think I’m going to talk some things over with my parents about how I’ve been feeling. I spoke with you guys, and it made me realize that I’m not alone.”

AS THE CALL RATES RISE, SO DOES THE NEED FOR TRAINED VOLUNTEER LISTENERS

Twice a year Caring Contact offers an intensive 9-week in-person & hybrid training class to prepare volunteer Listeners to offer nonjudgemental, empathetic Listening to Callers experiencing crisis and thoughts of suicide. Once trained, volunteers provide 9 hours a month of Lifeline listening. Become a volunteer 988

Listener—applications are open for fall training, September 15th through November 17th, 2026, on Tuesday nights, alternating between in-person classrooms in Scotch Plains and remote classes, with one full weekend of ASIST training. To be considered, fill out an application at CaringContact.org/training.

LISTENING IS A REWARDING VOLUNTEER EXPERIENCE

A recent survey of Caring Contact volunteer Listeners found that 100% of respondents feel that “their work is making a difference” and that the “training prepared them well” for this opportunity. A Listener recently said, “It is a rich experience that allows you to make a direct impact on your life, support others and be a part of a diverse and vibrant community with like-minded values anchored on deep compassion and care for others.”

In addition, Listeners report that the Active Listening skills they’ve learned also transfer to leadership roles, at work and with family and friends. “It’s the greatest gift a person can give to another. To be with them without trying to change them. To listen with empathy helps others feel less alone. To not be judged but to be accepted for feeling whatever one is feeling. It’s uncommon for people to be able to say what they need to say and have someone listen without judging them. Again, such a gift,” reports a Caring Contact Listener.

“My time with this organization has been life changing.” – Caring Contact Volunteer Listener
BECOME A VOLUNTEER 988 LISTENER—APPLICATIONS ARE OPEN FOR FALL TRAINING

Training: September 15th through November 17th, 2026, on Tuesday nights, alternating between in-person classrooms in Scotch Plains and remote classes, with one full weekend of ASIST training. To be considered, fill out an application at CaringContact.org/training

(above) Volunteers from New York and New Jersey who completed Caring Contact’s 988 Suicide & Crisis Lifeline Training and are now interns answering calls. They join about 100 experienced Listeners that answer the confidential, free, 24/7 Lifeline for Caring Contact. — June 2026
